# The Strength Behind the Structure

Agrasen Iron and Steels Pvt. Ltd. (AISPL) is the designated distributor of SAIL structural steel in Chhattisgarh, operating under an official distributor agreement with Steel Authority of India Ltd. (SAIL).

Headquartered in Raipur—the steel and logistics hub of central India—we ensure statewide delivery of SAIL's premium-grade structural steel with speed, accuracy, and reliability. Since our establishment in 2010, we've consistently served the structural needs of infrastructure and industrial sectors.

Our offerings include a wide range of sections such as angles, channels, beams, columns, joists, NPB, and WPB, all backed by a robust turnover of over ₹700 Crores in FY 2024–25.

What sets AISPL apart is not just the scale of supply, but the commitment to consistent service from stable pricing to timely dispatches, flexible deliveries, and responsive post-sales support. Every order is handled with a focus on reliability and trust.
